The competitor with the most pole positions awarded in qualifying sessions during the Championship will be presented with the E30 Racing Qualifying Award. In the event of a tie (ie. Two or more competitors receive an equal number of pole positions during the season), the holder of the most second places in qualifying would win, with a further countback until a winner emerges. If the countback procedure fails to produce a result, the E30 Racing Committee will nominate the winner according to such criteria as it thinks fit within the spirit of the award.
